## IDPT - SCET

IDPT-SCET is a nationally renowned institution imparting quality education in the field of architecture, interior design, urban planning, fine arts and technology. Having a progressive pedagogy, IDPT offers various global exposure programmes and international collaboration with renowned universities around the world. With a mix of experienced and enthusiastic faculty members, IDPT's unique approach with liberal studies & transdisciplinary curriculum enables students to explore their individual interest. The learning ecosystem that is offered at IDPT ensures development of students as creative, sensitive and responsible individuals ready to face worldly challenges.

## ABOUT THE PROGRAMME

The aim of the BVA course at IDPT-SCET is to develop visually sophisticated artists who are intellectually driven, ethically conscious and critically aware. Our philosophy for this new course will centre on students becoming professional artists, designers and art historians by expressing their unique ideas with skill and conviction, while remaining responsive to the historical, cultural and social context within their own work and lives.
