Welcome to the World of Design

IDPT - SCET

IDPT-SCET is a nationally renowned institution imparting quality education in the field of architecture, interior design, urban planning, fine arts and technology. Having a progressive pedagogy, IDPT offers various global exposure programmes and international collaboration with renowned universities around the world. With a mix of experienced and enthusiastic faculty members, IDPT's unique approach with liberal studies & transdisciplinary curriculum enables students to explore their individual interest. The learning ecosystem that is offered at IDPT ensures development of students as creative, sensitive and responsible individuals ready to face worldly challenges.

ABOUT THE PROGRAMME

The 5 year Undergraduate B. Arch programme offers a rich blend of experience & expertise with a strong faculty strength. It equips students with competencies to become effective professionals capable of negotiating technical, social, aesthetic & ethical complexities of the modern built environment. An integrated approach synonymous with transdisciplinary understanding is encouraged to build linkages between academic inputs & practices. Students are encouraged to seek design solutions for building architecturally meaningful structures which ameliorate social & humanistic concerns.
