Format:
The Workshop conducted in a seminar format with a presentation followed by Roundtable Discussion on Technical Aspects session. Students are encouraged to actively participate, ask questions, and engage in discussions to make the most out of this learning opportunity. Students then Participated in Hand-on Exercise session for in-depth understanding.

Key Topics Covered:
1. Conceptual Note on Town Planning Scheme
2. Physical & Procedural Aspects of Town Planning Scheme
3. Financial & Legal Aspects of Town Planning Scheme

Outcome:
The workshop on procedural aspects of town planning schemes proved highly beneficial, fostering comprehensive understanding among participants. It facilitated in-depth discussions on regulatory frameworks, stakeholder engagement, and implementation strategies. Attendees gained insights into legal considerations, administrative procedures, and best practices for efficient execution. Collaborative sessions promoted knowledge exchange, enabling attendees to address challenges and identify innovative solutions. The workshop culminated in a collective commitment to streamline processes, enhance transparency, and ensure community participation in future town planning initiatives. Overall, it served as a catalyst for advancing urban development goals, fostering sustainable growth, and empowering local authorities to effectively manage spatial transformations.
